# Candidates Lost Valuable Ground Last Week Through Inertia

THE CONTEST SECRETARY REPORTS THAT SEVERAL OF THE BETTER CANDIDATES LOST VALUABLE GROUND IN THE RACE FOR THE BIGGER PRIZES, THROUGH THE FACT THAT THEY SLACKENED THEIR SPEED LAST WEEK, MAKING IT POSSIBLE FOR CANDIDATES STARTING LATER TO CLOSE THE GAP, WHICH COULD NOT HAVE BEEN DONE HAD THEY WORKED DURING THE PAST WEEKS. MANY CONTESTS ARE WON OR LOST IN THE CLOSING STAGES, AND A STRONG FINISH OFTEN DECIDES THE WINNER. ALTHOUGH SUBSCRIPTIONS MAY BE HARDER TO SECURE NOW THAN AT THE START OF THE CONTEST, IT IS THE CANDIDATE WHO KEEPS ON TRYING AS HARD NOW AS HE OR SHE DID AT THE FIRST OF THE CONTEST WHO HAS THE BEST CHANCES OF WINNING. IF YOU GOT OFF TO A GOOD START WHY NOT HOLD YOUR LEAD? EVERY DAY COUNTS AND REAL WORK WILL DECIDE THIS BATTLE.

## Candidates Should Gather in All Promised Subscriptions by Saturday Night

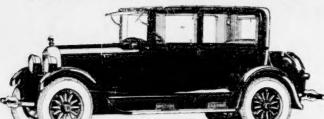

200,000 EXTRA VOTES WILL BE GIVEN THIS WEEK FOR EACH AND EVERY \$15.00 WORTH OF SUBSCRIPTIONS TURNED IN. REGULAR VOTES DECLINE ALMOST 10% AFTER SATURDAY NIGHT. BEAR IN MIND THE BAD ROADS AND WEATHER CAUSED THE CANDIDATES TO MAKE A POOR SHOWING LAST WEEK, THEREFORE YOUR CHANCES FOR WINNING THE SPECIAL PHONOGRAPH ARE VERY GOOD. ### Second Payment Subscriptions

If you have worked out your territory thoroughly and do not know where to turn for subscriptions, when you call on the surrounding towns and see the farmers on the rural routes, etc. If you are not in a position to get out of your town or city who are not trying to get around payments from subscribers who have given you short terms? You can gain many votes this way.

For instance suppose Mr. A. gave you a mail subscription for six months near the start of the contest, while the high school student used to live in town. Your secretary would then enter his name in the list of subscribers. If he got out to town another six months which would make up a year to the Bulletin, you will receive enough additional votes for the second payment of six months to make up the votes allowed for a full year's subscription during the period when the first payment was made or 11,000 votes.

Or suppose Mr. B. gave you one year's mail subscription between the dates of May 21 and June 11, you took up about half of it. It was a mail subscription. Now if he gave you another four months to make up the first year, you would receive the difference between 21,000 votes, which was given for a five-month subscription at that time and the 11,000 votes you have already received or 10,000 votes. In figuring out the votes for the second payment compute them on the schedule in force when you turned in the first payment in the Contest office.

NOTE.—Subscriptions of the kind are called "second payment" on the receipt slips which you send to the Contest office. Just write on the back of the stub the date that you turned in the first payment and give the receipt number of the first payment, also the name of the subscriber, and the date of the first payment, and the date of the second payment, and the name of the candidate that collected the first payment. If this information is not given second payment votes will NOT be given for the subscription, as it will be considered a new subscription. See the back of the receipt form for more details on how to fill out the receipt form when you send in the first payment.

### \$609.00 Ford Touring Car

A \$609.00 Ford Touring Car. The Ford will be on exhibition at the Dominion Motors Ltd., 102nd Street, South of Jasper.

# Jack Dempsey Does Not Impress In His First Workout

**FORMER CHAMP PREPARES FOR SHARKEY BOUT**

Only newspapermen Will Be Admitted to the Camp

Associated Press

WHITE CLOISTER SPRINGS, Saratoga Lake, N.Y., July 5.—On the eighth round of his first day of training, Jess Willard, the world's champion heavyweight, was awarded a round by Jack Dempsey, Monday, settled down to the task of getting the former title. For the first time, Dempsey worked out with his new manager, Leo P. Flynn, his new manager, who took charge of the training sessions for the fight with Jack Sharkey, which will be private to all but newspaper men.

Dempsey started with several punches on a half dozen rounds of jabs. Followed in a six-round weight loss, and then the big bell hit the little tiger-man who helped bleeding bulk in three rounds.

The Dempsey that day was 233 pounds of blinding speed and terrible power. He had been issued 261 and appeared heavy about the shoulders and waistline.

De Paul Triumphs Over Frank Lockhart

Associated Press

SALEM, N.H., July 5.—Petie De Paul was the 260th man fourth of five to win the New Hampshire State championship on Wednesday night. He won 20 seconds, finishing two laps ahead of Frank Lockhart, who had led from the start and established a record of 1:52.2. De Paul, who weighed 160, had negotiated an average speed of 124.12 miles an hour.

Duties as Prosecutor

For Edmonton Today

secutor, he appeared in court,

which commenced in Febru-

ary, M. Knight, Alan Harvey, son

of Mr. John Harvey, resigns his

## position as solicitor general.

Mr. Harvey will go to England for

the summer and will return in the fall to resume private

practice. He will remain in

Edmonton, however, during the

vacation period.

The house was causing clauses

to be inserted in the lease to

extend the powers of the treasury

to prevent evasions in the payment

of taxes by limited liability companies.

The clause was inserted in the

leases of wealth—landowners and

others—in the companies and drawings

large sums from the business

enterprises.

These clauses met with strong

objection from the government supporters.

Mr. Churchill said he was pre-

pared to vote against the govern-

ment if it would do so.

## PRICES FIRM AT 'PEG MART'

WINNIPEG, July 5.—The wheat market continued to lack outside support today, but shipping points were up 1 cent per bushel each month and this helped to sustain the market. The price was 1 cent lower to 8 cents higher.

Spreading operations again forced the market past the 8-cent mark, but traders were buying in the various local options and between Winnipeg and the Prairies.

There was again a very light trade in canola, but the market was inclined to lower levels. There was excellent demand in cash wheat among Canadian and United States buyers, but little trading was in sight. Futures were not busy.
